# INTRODUCTION

On inspecting Hebron School this year, we can see many new changes. On the outside, we can see a new driveway and sidewalk that add ease in controlling traffic and also add parking space. On the inside, we have many improvements. In the social studies room, we have added new desks that make our studying easier. In several rooms new lights brighten our studying hours. Our cafeteria has also been rearranged to make a proper place for showing films and to make a place for chorus class. Our student body has increased to 798 and our faculty numbers 35.

In athletics, Mr. Cavanaugh has taken over as head coach, and Mr. Schroeder is the new athletics director. Mr. Simic has been hired to coach the freshman team and to teach social studies. The G. A. A. has formed a volleyball and a basketball team in competition with other schools.

Mr. Rutherford is sponsoring the newly formed science club which meets evenings. Third year Spanish was added to the curriculum. Once again we have elementary classes meeting in the high school building. The kindergarten and Mrs. Wilson's first grade are meeting on the basement floor.

As the interior of our school has been improved, we have endeavored to keep up with this changing pace in our Seneca. We have added a personal touch by incorporating the Seniors' signatures. The township purchased a camera for the staff and its members. Someone can be seen taking pictures at anytime, anywhere. With more candid shots, we can give outsiders an inside view of everyday activities. Mrs. Ellenson also took all of our grade school pictures and put names on them for us. This book has also been enlarged by twelve interesting pages.

The Seniors have gradually watched the changes take place in our school. Now, as they graduate, they hope you will enjoy this resumé of the 1966-67 school year.

# DEDICATION

We, the Senior Class of Hebron High School, wish to dedicate this, the 1967 Seneca, to Mr. Phillip Lawson.

As Sponsor of the Seneca and serving this year as our class co-sponsor, he has given unselfishly of his time and his co-operation. But even more than this he has given us his friendship.

Because of this and his years of teaching at Hebron High School, we would like to use this means of expressing our appreciation. We hope this dedication to you, Mr. Lawson, will somehow express our thanks.

The Class of 1967

## "OUR TOWN"

Emily Webb's funeral.

# SENIOR TRIP WAS HIGHLIGHT OF THE YEAR

Statue of Liberty

Ron and Connie
Washington's Tomb

The Seniors anxiously waited to continue their trip.

The Senior classes of Hebron, Morgan, and Kouts enjoyed a very fine trip this year. As in the past, the group went to New York and Washington D. C. A great time was had by all.

# WAS HIGHLIGHT OF DRAMATICS

Ladies gossip on the street corner while George dreams in the moonlight.

Sam and Joe encounter one another at the graveyard.

Emily

The Senior Class Play, OUR TOWN, was unique and well acted. The play cast found that lack of scenery does not hinder the success of the play, if well acted. Mrs. Franzman, our Director, put much effort into making the play enjoyable to the community.

# PROM WAS HIGHLIGHT OF SOCIAL LIFE

Thanksgiving Program
Mr. Kirkpatrick

The annual picnic for township employees featured barbecued chicken prepared by the more talented members of the faculty.

Each year the faculty presents a Christmas program to the student body. This year the faculty presented a play on the life of the toys in Santa's toy shop.

Also, each year the Student Council presents a program on Thanksgiving. Different teachers are chosen each year to present a short speech on "What Thanksgiving Means to Me."

As you can see, our faculty entertains the students as well as educates them.

Kindergarten - Free play periods

The number of grade school students increases steadily each year. Already, the new grade school building has been outgrown, and one of the first grade classes is being held in the basement of the high school. As the number of entire students grow, the size of the individual student seems to decrease! As we see in the photo to the right the most dangerous daily routine is that of getting to your table at noon without pulling your tray down on the top of your head, and obtaining your carton of milk without falling into the cooler.

Our Varsity cross-country team won four of six dual meets, won their triangular meet, and placed second, third, and fourth in their four-way meets. The hard-working Hawks placed third in the P.C.C. meet and ran a close second in the K.V.A.A. meet with Dave Steffel barely missing first place individually. Also, they ran what Coach Cavanaugh stated was probably Hebron's best showing in the Sectional meet. Our Jr. Varsity also showed great possibilities by winning one of their meets and running a close finish in the other. Dave Steffel led the Hawks attack with Terry Norris being our next most valuable man closely pushed by Jim Hullihan, Norby Osburn, and Dave Martin.

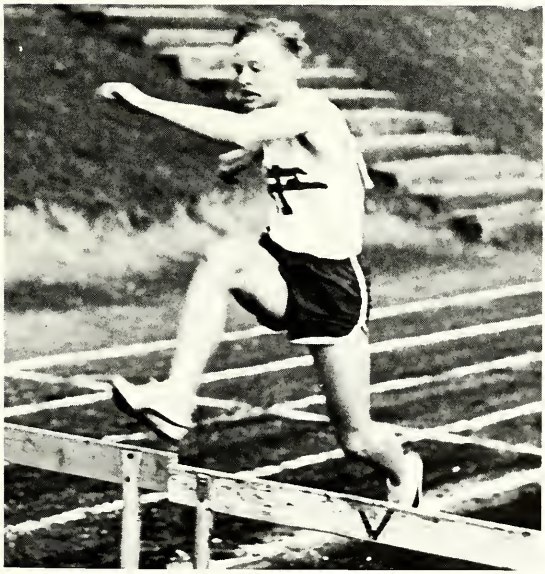
# TRACK



PAUL YEOMAN

Our track team had a fine season this year. Coach Mick Cavanaugh and the boys worked hard, not just during track season, but all year. From the beginning of school this year, boys could be seen running, jumping, and lifting weights to be in shape when the season finally came. Paul Yeoman ran the dashes in the fine tradition set by his older brother. With Dave Steffel to set the pace in the distance races, our team pushes steadily on to many victories. Larry Armstrong did a good job of jumping for us, too. These are just a few of the members that helped to make our team. They all worked hard and did a fine job.

# BASEBALL

The 1966 Hebron High School baseball team had another successful season, tying for the Porter County Conference Title with a 6-1 record. This marked the fifth year in a row the Hawks have won or tied for the conference championship. The one loss snapped a 27 game winning streak compiled over the last 4 years.

Barry Olson led the Hebron attack with a .435 batting average. Bill Smock led the Hawk mound staff and the county with a 6-1 record and an earned run average of .57.

# VARSITY BASKETBALL

The 1966-67 Hebron basketball team improved upon last years record by posting a 16-6 final talley. The Hawks gave the fans much exciting basketball as eight games were decided by five points or less, Hebron splitting the close decisions evenly with their opponents. In thrillers going to the final second the Hawks defeated Munster by one point and Rensselaer by two points. Boone Grove won the first meeting of the two clubs by three points in the South County Tourney and also took the Keg. However, in a second meeting Hebron won by three points and clinched the P.C.C. title.

Jackson fell victim to Hebron in the championship game of the Porter County Tourney by 5 points, the Hawks regaining the Keg. With the sweet victories one must also taste bitter defeat and Hebron did just that in the River Forest game. With less than 30 seconds remaining, score tied and Hebron in possession of the ball, a "John Cooper pass" went awry and into the River Forest basket.

# J.V. BASKETBALL

The 1966-67 Junior Varsity had a very successful season. With fine team play and excellent coaching the boys compiled a 12-7 record. These victories include winning the Junior Varsity Tourney held in November. Freshman Mike Hofferth led the team in both rebounds and points with 112 and 234 respectively.

During the year there were three overtime games for the Junior Varsity. In these contests they won two and lost one, defeating Munster 42-39 and Boone Grove 41-39 in two overtimes. In the third overtime game, the Hawks were defeated by a fine Rensselaer squad 55-49. Next year many of these boys will be providing much excitement for the second game on Friday nights.

# FRESHMAN BASKETBALL

Mr. Simic proved his ability of coaching by leading the freshmen team to a 6-6 season. These boys show future potential to carry on Hebron's fame as a great basketball team.

Probably the most exciting game of the season was when our boys defeated the Valparaiso squad by four points. Since Valparaiso is so much larger than Hebron, we are proud of the 36-40 score. Another high point of the season was when Hebron scored 61 points against Morocco, which is a high accumulation for a freshman team.

The "B" squad compiled a 2-3 record, suffering two of the defeats at the hands of a superior Lowell team.

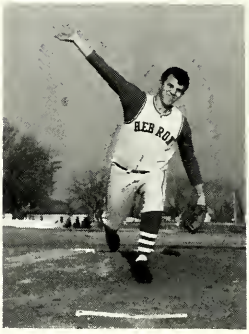
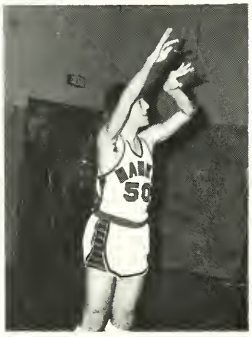
# SENIORS WERE

Budd, a letterman in track last year returned this season. His strength in the high hurdles continued to help our team on the road to success.



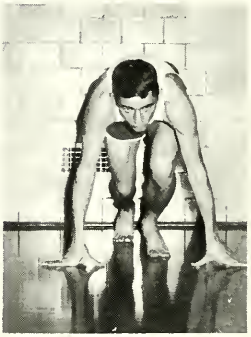
Curt was as enthusiastic in baseball as he was in basketball. In fact one night he even played the full game before he took time to tell the coach he'd broken his ankle during warm-up!



John received quite a bit of recognition in both baseball and basketball. As a matter of fact, River Forest recognizes him as a scorer on their team! He'll never be convinced Friday the 13th isn't unlucky, huh John?

Taking time out from his other extra curricular activities, Steve put forth his best efforts and TIME to add to our cross country team. Isn't that right, Jo?!

Tim was perhaps the most improved runner on the track and cross country teams. Just as faithful as a postman, he never missed daily training--sleeting, snowing, raining, or shining.



Terry was a member of the track and cross country teams this year. Maybe his wild colors gave him so much get up an' go!!

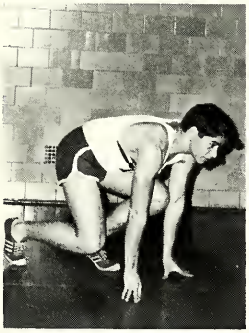
As well as being on the PCC baseball team, Barry had some tricky manuvers on the hardwood--while playing. He seemed to have a little difficulty staying far enough away from the opposing team's players!

# LEADERS IN SPORTS

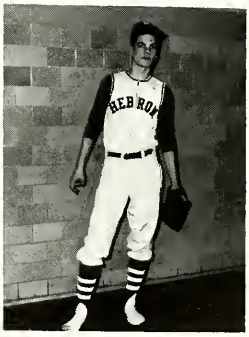
Norby came through cross country, track, and basketball with good results. Working hard every single minute, he couldn't find enough hours in the day. Surely Norby could never be called a lackadaisical guy!?

"Ron" lettered in baseball this year. He really worked hard to make our team as successful as it was by playing right field.

Bill was on the PCC baseball team and was the recepient of the M. E. Dinsmore award in basketball. Even though he played a great role in our athletic program, we're still in doubt as to whether he was more enthusiastic about sports or Mr. Panazzo's jokes to and from the ball games!



Tom was a member of the track and cross country teams, lettering in both. He showed us what it really takes--lots and lots of stamina and hard work!



Larry was an enthusiastic participant in baseball this year. He served as catcher the latter part of the season. He also made the all conference second team for his work in the season's beginning as second baseman.

Dave starred on the track and varsity cross country teams. He was front runner in the distance events, doing quite well. If you don't believe us, just ask him. Right Dave!?

Paul ran cross country and received high honors as a hurdler and sprinter. He also served as a manager of the athletic department. We're sure that he helped to set the pace with speed and grace in true Hebron fashion.

The Junior High basketball team completed the season with a fine 12-4 record. A regular season loss to Boone Grove avenged in the County Tourney. However, in the final game the young Hawks fell to a Kouts team it had previously beaten by 25 points.

# "B" TEAM

The "B" squad indicated it was a strong reserve unit with eight wins in thirteen games. The team had its problems with the big schools, being swamped by Lowell, Merrillville, and Rensselaer. Playing against schools of our size they managed an 8-2 record.

# JUNIOR HIGH BASEBALL

The Junior High Baseball team posted an impressive five wins and two losses for the season. There were times when the team looked like champs as the hitting was very productive in the Washington and Wheeler games. The pitching and defense were very effective in the Boone Grove and Morgan games. The mark of a real champ is to win the close ones and the little Hawks came through on the top side in the Kouts and Morgan contests, both decided by one run.

# JUNIOR HIGH TRACK & CROSS COUNTRY

In the fall of 1966 the junior high boys were seen running in preparation for their newest activity, cross country. No official scores were kept, but the team finished second in the three-way meets. In the county and south county they finished far from the front. The boys discovered that running a mile up and down hills is very exhausting. Top runners were Ricky Shupe, Roger Knopf, and Mike Steffel.

The junior high track team again had a successful season. With several boys returning from last year's team the cinder-boys were strong in both the running and field events. Some of the best performances were turned in by Tim Smok, Dale Thompson, Gary Scroggins, Ricky Shupe, Jeff Riggs, and John Duggleby.

# SIXTH GRADE BASKETBALL

Our mighty little "Hawks" showed real strength this season by ending with a record of 6-0. During their 16 minute games they scored proportionally as much as the varsity in a 32 minute game. They held their opponents and out-scored them 2 to 1.

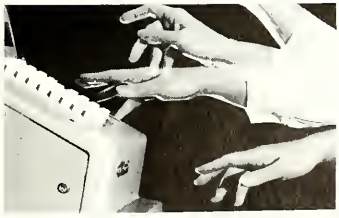
# ACTIVITIES



# BAND

Under the direction of Mr. Robert Bunning, the seventy-three member Hebron High School Band is another part of the well rounded curriculum we are able to receive at Hebron. Twice a year the band gives a concert, one near Christmas and one in the Spring. Also, the full band gives a marching show at several basketball games each year.

Many of the band students participate in the N. I. S. B. O. V. A. solo and ensemble contest each year. In the spring, the band participates in the State Band Contest if they place first at the district contest the preceding week. It is to the credit of our school system that our school is able to have such a fine organization.

# CHORUS

The chorus is another vital part of our music program at Hebron. During the year they sing at the winter concert, spring concert, and the district and state band and chorus contest. Under the direction of Mr. Bunning, this group adds a lot to the music program at Hebron. The special chorus spends many of their free hours practicing. They sing folk songs with a guitar and piano accompaniment.

SPECIAL CHORUS

Accompanist

# PEP BAND

The Pep Band is made up of members of the regular band. Their purpose is to generate enthusiasm at the basketball games. Also under the direction of Mr. Bunning, it has provided much entertainment for the fans.

# JUNIOR HIGH BAND

The Junior High Band, consisting of seventh and eighth graders, is an important part of our school. Here the students first begin to realize their responsibilities as band members and begin to train conscientiously for their obligation in the high school band. The band members participate in annual spring and winter concerts and the district band contest. Their director, Mr. Bunning, has had much patience with this group and has developed a fine band.

# F.H.A.

This year was the first full year as a club for the F. H. A. The club undertook numerous activities. At the beginning of the year a "Brownie Point for F. H. A." day was sponsored. At Christmas the girls went caroling. They were accompanied by Mrs. Berrier and their student teacher, Miss Phebeus. A Christmas exchange and party was also held in December. During March a number of the girls visited an old folks home. As a fund raising project, cookbooks containing recipes from home economics teachers throughout the nation were sold. All in all the year was a busy one.

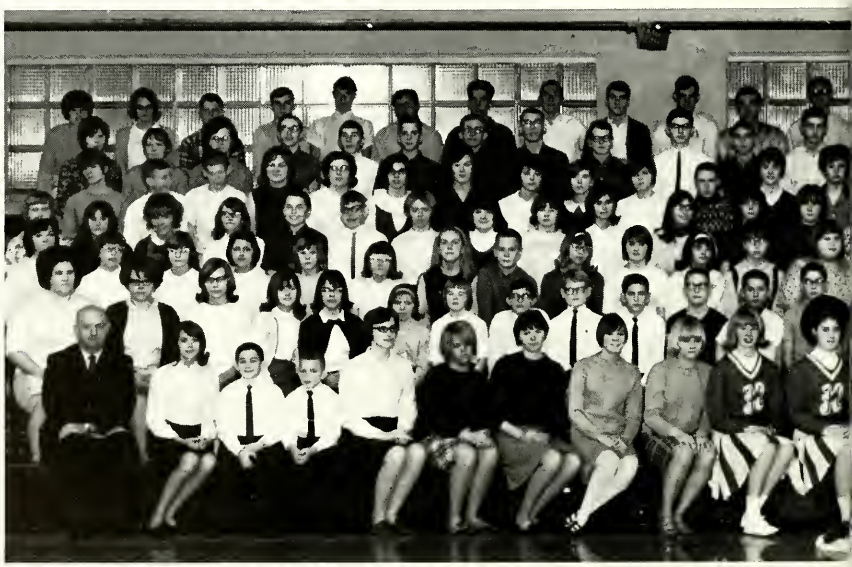
# G.A.A.

This year the G. A. A. is again a member of the state organization. The girls plan to compete in volleyball contests with other schools this year, instead of basketball. Other changes include the revision of our point system, raising it 150 points, and the appointment of sportheads for each sport. These girls try to encourage the members to participate in athletics more.

# SAFETY PATROL

The Safety Patrol did a fine job this year in helping the children across the highway and streets. These boys have an excellent safety record and have done a fine job for the community as well as the school.

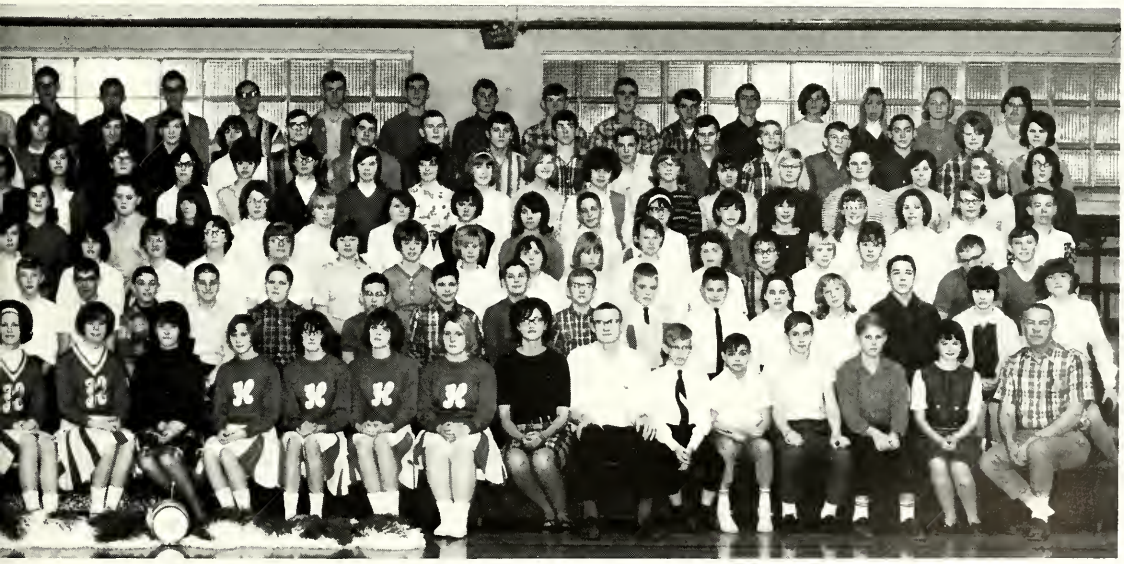
# BOOSTER CLUB



The Booster Club of Hebron High School backed our teams and created school spirit. Throughout the season these students showed good co-opera-

# SCIENCE CLUB

The Science Club was a new organization this year. The purpose of the club is to stimulate interest in science. This year the Science Club took on the responsibility of sponsoring the local Science Fair. The club became a member of the National Science Fairs of America. This year each member was required to present a scientific report at a meeting. Some of these reports were on relativity, the plasma state, rats, antimatter, rockets, and laser beams. The president is Dave Martin, vice president is Paul Yeoman, and secretary-treasurer is Carolyn Wiltfang. The club is under the direction of Mr. Rutherford.



tion, sportsmanship, and enthusiasm. The theme for the county tourney, "Our Hawks Play the Olympian Way" took much work and added color and excitement to the tourney games. Mr. Schiek, the Booster Club sponsor, worked hard and long to make the club an important part of student activities.

# STUDENT COUNCIL

The Student Council is a very important part of our school. It sponsors many activities and dances, encourages leadership and scholarship programs, and strives for a better understanding between the students and the faculty. Our Council sponsors such activities as a "Red and White Day" to generate enthusiasm at the opening of our basketball season, programs for special occasions such as Thanksgiving for deep thinking, and such scholarship programs as a "Scholarship Week." This year's officers are Mike Mullins, President; Paul Yeoman, Vice-President; Peg Hefner, Secretary; Randy Werner, Treasurer.

# NATIONAL HONOR SOCIETY

The Honor Society is an organization to promote leadership, citizenship, character, service, and scholarship. This year our Honor Society inducted twelve students who possessed these qualities, thus bringing the toal membership to twenty-four. Among the numerous projects the Society sponsored were the March of Dimes Campaign, Easter Program, Baccalaureate and Commencement ushering and sending packages to Hebron G. I's overseas. We also had the privilege of initiating a Society into the Morgan School System.

# HAWKER STAFF

We present to the students each month
a Hawker
That usually serves only to clutter
his locker.
Now what kind of gratitude is that to
show
For we really work hard on this you
know.

We type half a line and then erase,
Mrs. Gwin has developed a nervous case.

But this year's staff as the ones
before
Has served the school for one year more.
And we've done a good job you must
confess
Or at least we've tried to do our best.

# SENECA STAFF

The Seneca Staff started early in the school year to compile the Seneca. Sometimes we didn't seem to accomplish much, and we had to do and re-do many pages. However, we have finally managed to finish the yearbook without errors--we hope! We hope you have enjoyed it.

# THESE WERE

Each spring the students from grades seven through twelve elect a student body president. It is the president's job to preside over the Student Council. Mike Mullins headed the Council again this year and he should be commended for the fine job he has done.

The girls that represented Hebron High School as delegates to Hoosier Girls' State were chosen on the basis of academic standing and interest in government. The delegates received much valuable information about our Indiana government in action.

The Boys' State delegates were also chosen on the same basis as the Girl Staters. These representatives attended the school in Bloomington, too. They also received much knowledge of our various governmental systems.

The D. A. R. Good Citizen Award is given to the Senior Girl possessing qualities in leadership, service, dependability, and patriotism.

"Communism, Threat to Our Constitution"was the speech that won this year's oratorical contest. This contest is given by the American Legion to create enthusiasm for and patriotism towards our Constitution.

All of the Senior girls take the Betty Crocker Homemaker Test and the girl with the highest rating obtains the Homemaker of Tomorrow Award.

# RECOGNIZED FOR SERVICE

We would like to recognize the student secretaries that assist Mrs. Guillod and Mrs. Ellenson in the school offices. These girls do little things to make the jobs of our secretaries much easier.

The student librarians are a big help to Mrs. Gidley. These girls type, catalogue, cover, and file books in the library.

To help our school on the sweet track, we would also like to recognize the students that fill the candy and the pop machines. Without these assistances other jobs would be added to the hard-working faculty.

The hall monitors are an asset to the school, performing such activities as collecting absence slips, directing visitors to their desired destinations, and keeping track of the wandering students.
